IMPORTANT NOTICE TO MEMBERS

The pleasure of playing at Blackwood can be increased greatly if all members thoroughly read the Members' Handbook.

The subjects covered in the Handbook will answer most questions asked of the Manager and Members of Committees.

Members knowing the regulations particularly pertaining to dress requirements, golf course etiquette and the rules of golf can avoid many embarrassing situations. Refer to pages 6,7,9,10,11,12.

Being aware of the subjects covered in the Handbook will help all of us to increase our pleasure of playing golf at Blackwood.

Malcolm Merchant
President
Blackwood Golf Club Inc.

PRIVACY ACT

Blackwood Golf Club Inc (BGC) is required to conform to the National Privacy Principles (NPP) as set out in the Privacy Act 1988 (a Commonwealth Act).

The NPP governs the way organisations collect, use, disclose and secure information about you. The NPP also permits you access to the information held by organisations about you in order to correct or update it.

The personal information collected and maintained by BGC for every one of our members includes your name, address, date of birth, contact details and information specific to and required for the service that we provide to members.

Information may be held on behalf of BGC by outside organisations in order to provide services to us (BGC), e.g. Australian Golf Union and Golf SA.

BGC is committed to safeguarding personal information provided by members, visitors and staff. We will never disclose any personal information unless we believe there is a threat to life, health or safety.

DRESS REGULATIONS AND REQUIREMENTS

These apply to all players and non-players including caddies and visitors, male and female. A member inviting a guest must ensure his/her guest is made aware of these dress rules.

THE COURSE

Neat casual dress is required at all times when playing golf at Blackwood Golf Club.

Dress not acceptable on the course includes:

- 3/4 trousers (male only);
- Shirts without collars;
- Denim clothing of any type;
- Coloured socks (unless knee-high), coloured sockettes or coloured anklets (male only);
- Offensive or bold advertising, slogans or cartoons.

THE CLUBHOUSE

Dress that is acceptable for wearing on the course is also suitable for wearing in the clubhouse.

Jeans are acceptable as neat casual dress in the clubhouse provided they are not ripped or faded.

The attention of visitors to the Club, who do not play golf, is drawn to the list of dress items considered neat casual attire.

The following dress is not considered neat casual attire:

- Male – Track suits, T-shirts, tank tops and sport shorts.
- Female – Above items plus leggings, leisure/track suits, brief shorts and strapless tops.

FOOTWEAR

- Thongs and ripple-soled shoes are not permitted.
- Golf shoes may be worn in all areas on the ground floor except through the front main entrance.
- Soft spike golf shoes may be worn upstairs in designated areas only when the sprig bar is closed. Metal spikes are not permitted upstairs.
- Sandals and boat shoes are not permitted on the course, but may be worn in the clubhouse.
- Socks must be worn at all times with shoes (except when wearing sandals or boat shoes).

These standards are set for the prestige and betterment of the Club and it is essential that members and guests adhere to these standards.

Dress requirements are conveniently displayed in the clubhouse and Professional's shop.

Persons not correctly attired will be required to leave the clubhouse or course on the authority of the Professional (or person responsible for the pro shop), Manager, President or Captain of our Club.

CATASTROPHIC FIRE DANGER DAYS

In the event that this region (Region 2, the Mount Lofty Ranges) receives a forecast the evening before of catastrophic fire danger, the course will be closed. This means that any scheduled events will be cancelled, including any pro-shop competitions. The clubhouse, pro shop, all facilities and course are closed on catastrophic fire days.

DANGEROUS WEATHER POLICY

ELECTRICAL STORMS

At the discretion of the Manager (or Professional in the Manager's absence), the Club Competition may be postponed or cancelled in the event of electrical storms in the vicinity of the golf course.

All players must, by the sounding of the Club's weather siren, leave the course immediately, pending a further decision on whether to postpone or abandon play for the day. Players should mark the position of their ball so they can return and continue play if permitted to do so. No player will be disqualified from the competition if they leave the golf course during a round because they believe they are in danger in the event of electrical storms in the vicinity of the golf course.

ALL PLAYERS MUST LEAVE THE GOLF COURSE IMMEDIATELY AND SEEK THE SAFETY OF THE CLUBHOUSE IN THE EVENT OF ELECTRICAL STORMS IN THE VICINITY OF THE GOLF COURSE

HOT WEATHER ADVICE

The Blackwood Golf Club Committee has the health and well-being of Club members and guests as a high priority.

However, there is no current policy outlining the closure of the course or cancellation of competitions due to extreme heat.

The Committee feel each golfer is responsible for knowing their limitations and will therefore act in a responsible way to ensure their own safety. The Committee would like to ask all golfers to take caution when playing in hot weather and to please note the following tips:

- **Ensure you keep hydrated by drinking plenty of water;**
- **Wear appropriate clothing to cover yourself from UV rays – wide brimmed hat, long sleeve top, etc.;**
- **Always use an SPF 30+ sun screen (available in the change rooms);**
- **Wear sunglasses with an EPF of 10 to protect your eyes;**
- **Immediately inform your playing partners if you are having any problems.**

COURSE ETIQUETTE

Members shall afford the President and Captain the courtesy of the first tee.

No one should move, talk and stand close to or directly behind the ball when a player is addressing the ball or making a stroke.

All players are required to report to the pro shop before teeing off. Players are to be at the tee 10 minutes before hitting-off time in competitions.

If unable to take your place in the field, please remove yourself from the list or notify the Club at least three hours before tee off. An hour's notice is not considered acceptable. Non-notification causes disruption to other members' games of golf and will not be tolerated by the Club.

The player with the lowest handicap is responsible for the observance of the Rules of Golf, Local Rules and Course Etiquette.

Players are to carry a bucket of sand to fill all divot holes including players with carry bags. In winter, divots are to be replaced and lightly sanded. At all other times, sand only should be used in divot holes.

Ball marks in greens are to be repaired before leaving to play the next hole.

Foot and club marks are to be raked out before leaving a bunker. Players should refrain from walking up the faces of bunkers, except when playing the ball. Rake to be left in line of play near as practical to the middle of the bunker.

Care should be taken not to damage the edge of the hole or the green surface when removing and replacing the flagstick or with shoe sprigs. The putter head **MUST NOT** be used to remove the ball from the hole.

When putting, leave balls in the hole until last player has putted out.

Mobile phones, except those belonging to a medical doctor or emergency services worker, must be switched off on the golf course. A mobile phone may be used in the event of a medical emergency.

CALLING UP AND GOING THROUGH PROCEDURE

When a group is looking for a ball that may be lost or has not yet been spotted, they shall immediately call the following group up (if all the group in front vacates the fairway to search the following group may assume they have been called up.) The called up group will then play their shots without delay. If the front group are still not ready to play when the called up group reaches them, the called up group shall proceed to go through. However, if the front group are ready to play before the called up group reaches them, they shall proceed without delay and the going through procedure will lapse. (NOTE: The only purpose of calling up and going through is to save time and keep the field moving. It must never be used as a penalty against the group that may be lost or a bonus for the group called up. Common sense shall prevail in the interpretation of this rule.)

Please pick up the ball when strokes are exhausted in Par and Stableford competitions.

COURSE SAFETY REQUIREMENTS

The Occupational Health, Safety and Welfare Act require the employer to maintain a safe working environment.

The Blackwood Golf Club has adopted safe working practices. Procedures to prevent injury to staff from golf balls are as follows: -

1. **Green Maintenance.** When the flag has been removed, the green is out of play and golfers are **not** to hit to the green until the flag is replaced.
2. **Fairway and Rough Maintenance.** Golfers **must** wait for an approaching vehicle or mower to pass behind or out of range before playing their shots. Alternatively, golfers may be called on to play their shots by the operator.
3. **Other Situations.** In all other situations, golfers **must** receive acknowledgment from course staff that are in range before playing a shot.

Failure to comply with the above procedures could result in prosecution under the Occupational Health, Safety and Welfare Act.

SLOW PLAY

YOUR POSITION IN THE FIELD IS JUST BEHIND THE GROUP IN FRONT OF YOU, NOT JUST IN FRONT OF THE GROUP BEHIND YOU.

With the large number of players to be accommodated on the course, it is imperative that slow play does not impede the field. The Match Committee is concerned at the effect slow play is having on the comfort of members' games.

The following time saving measures will be taken:

- Walk immediately to your ball and play if there is no danger of personal injury;
- Always play your own ball where practical before looking for any fellow competitor's ball thus minimising slow play;
- If held up in front, use this time to make club selection and practice swings;
- When reaching the green leave your bag handily placed for immediate movement to the next tee;
- Player with the honour must hit before marking card.

Players habitually offending by slow play **will** be placed at the end of the field by the Match Committee on competition days and on such other occasions as the circumstances may require.

LOCAL RULES

Local Rules and Temporary Local Rules are as printed on the Score Card and posted on the Notice Boards located under the balcony.

ORDER OF PLAY

1. All competitors in Club competitions have equal rights regardless of the number of players in the group. Groups of FOUR are the maximum number.
2. When a booking sheet is not in operation, order of play will be in the order in which groups arrive on the tee ready for play after first reporting to the pro shop.

VISITORS

1. A visitor shall be accompanied by a Member or have permission from the Manager or be part of an approved corporate day.
2. No person shall be introduced as a visitor on more than **six** occasions in any calendar year excluding competitions open to visitors.
3. A Member introducing visitors **MUST** sign their visitor into the green fee book with their complete name and address. The Visitor must pay the appropriate Green Fee prior to playing.
4. No visitor shall play on Saturdays without special permission from the President, Captain or Manager.
5. A Member may introduce one (1) playing visitor to the Club on Sunday (before 12:30pm) and Wednesday (before 1:30pm).
6. A Member may introduce up to three (3) playing visitors at any time on Mondays, Tuesdays (after 12:30pm), Wednesday (after 1:30pm), Thursdays, Fridays, Sundays (after 12:30pm).
7. The Member introducing a visitor is responsible for the dress and conduct of that visitor.
8. Visitors are to display the correct visitor bag tag when playing the course.
9. Hire buggies and clubs are available from the Professional.

TEE MARKERS

Men – Male golfers are to hit off blue tee markers at all times, until such time as the slope system is introduced. Please refer to local rules.

Women – Female golfers are to hit off the red tee markers at all times.

SCORE CARDS

As soon as practicable after the completion of a round, each player should place **his/her scorecard** in the Competition Box located in the pro shop. Twilight cards are to be placed in the box at the end of the bar.

It is the responsibility of all players to ensure that their name, date, grade and correct handicap are clearly shown on the card and that the correct score is recorded for each hole and the card is signed.

RESIGNATION

Any Member intending to resign from the Club shall signify in writing his/her intention to do so to the Manager on or before the 31st March, or shall remain liable for the subscription for the ensuing year.

MOTORISED GOLF CARTS & BIKES (Both referred hereunder as "Carts").

Rules and restrictions for use of carts are necessary to protect areas of the course, which are liable to damage. These areas comprise of the greens, tees, bunkers and all unmown areas. Accordingly, to avoid damage to the course drivers of carts are asked to observe the following rules:

1. Unless on a constructed path, **carts are not to be driven within five metres of:**
 - (a) a green
 - (b) a closely mown area of a tee
 - (c) any bunker
2. Carts must be kept off all soft areas of the course where tyre marks may be left or damage done.
3. Carts are to be driven directly to the player's ball. In the event of a lost ball, the cart is to be stopped and the driver should look for the ball on foot.
4. A driver may carry one member of his group with his clubs as a passenger, upon payment of the appropriate fee, **but shall not tow the clubs of any other player.**
5. The permitted driver is responsible for all damage to Club property caused by the cart.
6. For any day with a forecast temperature in Mount Barker of 40 degrees or greater carts & bikes will be prohibited.
7. The Committee reserves the right to restrict the use of carts at any time.
It is the member's responsibility if in doubt about the use of the cart to contact the pro shop to determine if any restriction/s apply.
8. To hire a cart, the hirer must hold a current drivers license.

Note: Etiquette prescribes that drivers of carts should not take advantage of the speed of their carts to harass groups ahead of them into letting them play through.

MEN'S HANDICAPS

"A" Grade	0 to 12
"B" Grade	13 to 18
"C" Grade	19 to 36

The system of handicapping in the Club is governed by Golf Australia. To ensure its proper application and to allot handicaps which are fair to all members, whether playing in Club competitions, friendly matches or at other Clubs, it is essential that sufficient data be available to the Handicapper to enable a proper assessment to be made.

Cards must be returned from all competition rounds.

All scores in 18-hole and stipulated 9-hole single rounds (as defined by the Club), Golf Australia (GA) and State authorised competitions played at an affiliated Club from GA tees under the Rules of Golf must be used for handicapping purposes.

Changes to the system of handicapping will occur this year.

The new (rolling sample) method for handicap calculation comes into effect on 9/4/10.

Handicaps will be calculated by GOLF LINK from a rolling sample of the player's previous 20 scores.

Handicaps will no longer lapse.

The introduction of the "slope system" for course rating will be introduced later when all Australian Golf Courses have been re-rated.

Current information is available on the Golf SA and Golf Australia websites.

SATURDAY COMPETITIONS

Any member playing on a Saturday during competition times (6:53am – 1:00pm) must hold a handicap and must enter the competition of the day.

All weekly competitions - Entry fee \$5.00 for 18-holes and \$2.50 for 9-holes including Nearest the Pin. Players not making Block Bookings are reminded to enter their names for individual competitions on appropriate sheets.

WOMEN'S HANDICAPS

All scores in 18-hole and stipulated 9-hole single rounds (as defined by the Club), Golf Australia (GA) and State authorised competitions played at an affiliated Club from GA tees under the Rules of Golf must be used for handicapping purposes.

Changes to the system of handicapping will occur this year. The new (rolling sample) method for handicap calculation comes into effect on 9/4/10. Handicaps will be calculated by GOLF LINK from a rolling sample of the player's previous 20 scores. Handicaps will no longer lapse. The introduction of the "slope system" for course rating will be introduced later when all Australian Golf Courses have been re-rated.

Current information is available on the Golf SA and Golf Australia websites and on the Women's notice board.

WOMEN'S HANDICAP GRADES

A Grade Handicap.....	0 - 18
B Grade Handicap.....	19 - 26
C1 Grade Handicap.....	27 - 35

SOCIAL FUNCTIONS

President's Dinner Dance to be postponed

TWILIGHT COMPETITIONS

- Twilight competitions are run on Thursday nights during daylight savings period.
- **The first nine holes you play after 3:00pm counts.
Cards to be returned by 8:00pm.**

SOCIAL GOLF COMPETITIONS AND HOW THEY ARE PLAYED

All social competitions are mixed events unless otherwise stipulated.

Stableford Aggregate: Two players play as partners. Each play their own Stableford round. At the end of the round the partners total their combined Stableford points.

Foursomes: Two players play as partners and use one ball. Partners hit off alternately from the tee and hit the ball alternatively during the play of each hole. Ladies use their own tees when it is their turn to play. Handicap allowance is $\frac{1}{2}$ of combined.

Canadian Foursomes: Played as Foursomes except that BOTH players play tee shots at every hole. One ball is selected and play proceeds as in Foursomes. The partner of the ball owner plays the selected ball. Handicap allowance is $\frac{1}{2}$ of combined.

Pinehurst: Both players play tee shots at each hole then play a second stroke with their partner's ball. One ball is then selected and play proceeds as in Foursomes with the owner of the ball selected playing the third stroke. Handicap allowance is $\frac{1}{2}$ of combined.

Four Ball Better Ball Par: Two players play as partners each taking strokes at holes as in a Par competition. If one of the partners wins a hole, and the other loses it, the win is counted and so on. Plus, half and minus signs are added at the end of the round and recorded as in an ordinary Par competition.

In a four ball handicap event care must be taken to mark the scores of each player in separate columns headed by the initials of the player. If the scores are mixed it is impossible for the Committee to check the card and the players may be disqualified.

Four Ball Better Ball Stableford: Played as above except that the better ball of the partnership will be credited with points instead of plus, half or minus.

Ambrose: Play consists of teams of four. Each player's drive must be used at least three times. All tee off. One ball is selected for the second shot. Players place their ball within one club length either side of the ball no nearer the hole through the green. When putting on the green the ball is placed within 1 putter length no nearer the hole. Play continues in this manner until the ball is holed out. Record initials of player's drive used on card on each hole. Handicap allowance is $\frac{1}{8}$ of combined.
