Try Golf Membership

Improve your lifestyle – you deserve it!

Try Golf membership is an exciting new membership category created for the beginner or social golfer. The category allows people to become a member at a private golf club with minimal outlay and no long term commitment. This allows the new member to get the feel of a private golf club and see whether it's something they enjoy.

Blackwood Golf Club offers one of the best golf courses in the state with excellent clubhouse and practice facilities, however one of the best features of Blackwood is often overlooked - the club environment that fosters friendships and an enjoyable lifestyle.

Try Golf membership has been specifically developed to introduce new members to club life. The membership includes:

3 Month Membership
Professional Tuition
\$20 Food and Beverage Credit
Cost - \$250

If, after your 3 month, membership you have been bitten by the golfing bug like so many others then you are welcome to consider the other membership categories on offer at Blackwood Golf Club.

If you wish to become a Try Golf member then simply complete the attached nomination form and return it to the office. Our friendly staff will provide further information about the club and answer any questions you may have.
