

Catastrophic Fire Days Policy

In the event that this region (Mount Lofty Ranges) receives a forecast the evening before of catastrophic fire danger, the course will be closed. This means that any scheduled events will be cancelled, including any Pro Shop competitions. The clubhouse, Pro Shop, all facilities and course are closed, and the front gate will be locked on catastrophic fire days.

Due to the club's location and its surrounds, the club is not a suitable place to seek refuge in the event of a bushfire. In the event of a bushfire, the Onkaparinga Council and Mitcham Council have listed the following 2 places as your nearest places of refuge:

- Weymouth Oval, Main Road, Coromandel Valley
- Hewett Sports Ground, Coromandel Parade, Blackwood.
